

SPONSORSHIP AGREEMENT

The 101st Galvanizers Association Conference will be held at the Hyatt Regency Louisville Hotel in Louisville, Kentucky, USA. October 18-21, 2009.

THE KEY TO A SUCCESSFUL PROGRAM IS FULL MEMBER PARTICIPATION.

As you know, your association strongly discourages hospitality suites, outside entertaining or activities, during ANY of the scheduled events. With this in mind, many companies sponsor or co-sponsor various events to help offset costs, keep registration fees to a minimum and ensure full participation. Sponsoring an event begins with the evening welcome reception and continues throughout the entire conference including: continental breakfasts, coffee breaks, lunches, receptions and dinners. These sponsorship increases the impact of your participation at the Conference, heightens awareness of your company, and is appreciated by all delegates. Can we count on your company making this a successful meeting?
